

SENATOR LEO R. BLAIS
40 BANK STREET
COVENTRY, RI 02816

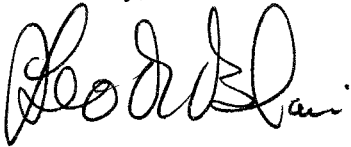

Dear Constituent:

I am proud to write to you today to give my enthusiastic endorsement to Steve Hart in his quest to become your Representative in the RI House from District 28.

Steve has committed to cutting taxes, creating jobs and continuing the tradition of being a fiscal watchdog at the General Assembly in the same manner as his predecessor, Representative Victor Moffit.

I hope you will join me in voting on November 4th for the right man for the job- Steve Hart.

Sincerely,

A handwritten signature in black ink, appearing to read "Leo R. Blais". The signature is fluid and cursive, with the first name "Leo" being the most prominent.
