

NICHOLAS GORHAM
STATE REPRESENTATIVE DISTRICT 40
Foster-Glocester-Coventry
Minority Whip
7042 Flat River Road
Greene RI 02827-2004

September 24, 2008

Dear Friends:

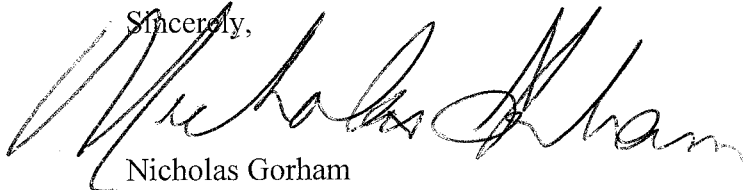

I write to endorse Steven J. Hart for State Representative for District 28 (Coventry).

Steven is committed to providing independent representation for District 28 and the people of Coventry. Steven is well grounded in Coventry, maintaining his law practice in town, his family, and involvement with many local interests.

The upcoming year promises to be an especially difficult year in the General Assembly. The State will again be faced with difficult deficits, wasteful government spending, illegal immigration issues and many other difficult problems. Steven has no ties to special interests and will work for you. He is committed to keeping government as close as possible to the people. We need reform on Smith Hill and Steven is in the best position to bring it.

I hope you will give Steven a chance to represent you at the State House. I can assure you it will be a wise choice that you will be proud to have made.

Sincerely,

Nicholas Gorham
Minority Whip
